Fluoridation Battle Still Raging

CHANCES OF NEW ENGLAND GAS TO BUILD IN WILMINGTON GROWS DIM

Unofficial but reliable sources inform us that the decision in regards to the New England Gas Products is in the negative as of last week.

The refusal of the permit to build, after N. E. Gas had spent considerable money to develop the site may cause

court action against the Town of Wilmington, the second in a few weeks.

New England Gas Products bought a large portion of the town park, a few years back, when the town, at a special town meeting, voted to allow the Company to locate in Wilmington.

George Spanos Looking For Apartment

George Spanos is looking for a small apartment or cottage. As you know, he has been staying at the home of Larry and Isabel Foley, but feels that he would like to have his own place. George has helped so many, now is the time to help him. Anyone know where George can locate? Call OL 8-4443 or this editor.

Complaints!

A number of complaints have been received by the Board of Health that glass, razor blades and other injurious materials are being deposited in garbage containers. Patrick A. Thibau, Health Agent, wishes to remind people that these actions are in violation of contract, and urges citizens to observe contract regulations.

Jimmy Fund Results

The final total of the 1956 Jimmy Fund amounted to \$1,077.48 according to Geo. Spanos, General Chairman. This amount was realized through various campaigns and George extends his sincere thanks to all who helped and contributed.

SALK VACCINE TO BE AVAILABLE FOR FIRST SHOTS

Patrick Thibau, Board of Health Agent, has announced that vaccine for first Salk shots will be available shortly.

As the vaccine must be ordered in advance, it is necessary to know how much will be needed and as this is calculated by the consent cards, parents once again are urged to file cards with the Board if they have not already done so. The vaccine must be ordered by April 24.

Those eligible at this time are babies, who will be 6 months old by the end of May, those under 20 years, and who have received no vaccine, and expectant mothers.

In order for those eligible to have two doses before the Polio season starts, first shots must be obtained at this time.

DOG LICENSES AT TOWN HALL

Town Clerk, Mrs. Mary Giffigan, announces that Dog Licenses are available at Town Hall. All dogs six months or over must be licensed.

EASTER DUCKLINGS PROVE GREAT ATTRACTION

MABEL'S ducks take to the water in an effort to earn their water wings at the Shamrock Drive-In, on Main Street, last week.

Last week Mabel's Shamrock Drive-In gave the town a pleasant surprise of the spring season, when one of the most unique advertising displays to appear in town for many years, was opened to the public at the Drive-In. Through the courtesy of the Elk Spring Beverage Company (Wakefield) and P. Ballantine and Sons, (New Jersey), sponsors, the beautiful springtime scene consisting of flowers and live ducklings, was set up at Mabel's popular self-service package store on Route 38, early last week.

A dozen brand new, day old, yellow ducklings were worked into the display and (we understand) Mabel's Drive-In fellows had quite a job on their hands for several days, until the baby ducks had safely passed the early danger stage. We are now informed by Hal Foley (store manager) that they are now completely off the 2 o'clock nighttime bottle, and all hands are beginning to catch up on their sleep once again.

Last weekend the ducks went in for their swim and they were not the lost bashful in taking their first dip in front of a large audience. A couple of the smaller ducks got a bit water-logged however, and had to struggle quite a bit to get up to the rocks - but they made it.

The news of the ducks spread around the town like wildfire last week and by Saturday night, many hundreds of kiddoes (2 year old and 60 year old) had stopped by the drive-in to get in on the fun. Some saw the ducks at mealtime while others found them in the water, or all cuddled up together having their forty winks.

Mabel says she plans to keep the ducks at the drive-in right up to Easter. If you haven't seen them yet, it's not too late. You can bring along as many kiddoes to see the ducks as you like. There is no obligation to buy anything, and the big Drive-In off street parking space is yawning wide open to welcome all the carloads of kiddoes you can bring down.

We are told that the idea of the little ducklings swimming in a pool of water originated with Mabel herself, but credit for actually setting up the pool and all the rest of the attractive, spring-like fixings, goes to Elk Spring Beverage and the Ballantine people. In fact, Mr. Drinkwater, official of the Elk Spring Beverage Company, has been on hand personally to direct the big advertising program at the Shamrock, which is centered around the NEW GIANT, QUART FLATTOP CAN OF BALLANTINE BEER.

According to Frank Drinkwater, Ballantine is the first brewery to pack a beer in a giant, quart flattop can. Hal Foley says that the sale of this new giant can has been most gratifying. Hal further stated that the giant flattop can is catching on, because, in addition to rapid cooling, you also get two more big advantages: (1) easy convenient storage in your refrigerator (2) a darn good can of beer from the largest draught brewery in the world.

I would like to take up where I left off a few weeks ago, if it is alright with the management of your paper.

In last week's issue, you printed a rather lengthy statement, by Mr. Thibau, our Health Agent. Here I would like to write him.

Mr. Thibau, you began your article by explaining why and when fluoridation was introduced to Wilmington. It was, I agree voted in by the people at the 1952 town meeting, and even before that, with North Reading holding up the works. However, I do not agree that the 500 or so persons in attendance at any town meeting, have the right to prescribe medicine for an entire town. I feel also, that the statement of Dr. Brusca (whom I have mentioned before) is quite true. "Citizens cannot vote intelligently on fluoridation, because they have not been furnished with true information."

Doctors know we must have the patient's consent before we try any experiment, and the individual must know the full nature of the experiment and its possible consequences. United States citizens should not be used as guinea pigs.

Mr. Thibau, you are not my doctor, and I forbid you to prescribe or treat me. The 500 people who attended that 1952 town meeting are not doctors either, why should I take their advice? I firmly object to being given a dose of deadly fluorides every time I take a glass of water. These fluorides being put there to prevent a disease in someone else's mouth, which could be prevented by other means.

Under your question numbered 6, you answered that: "Fluoridation to be successful must be given daily in correct proportion. Contrary to opinion, pills have already been tried and found wanting as being a tiresome daily task, especially if someone has more than one pre-school child". All I can say to Continued on Page 4

WILMINGTON CRUSADER TO GIVE COMPLETE COVERAGE OF TOWN OF TEWKSBURY LOCAL EVENTS

A program of affording the residents of Tewksbury, coverage of local events, will be put into effect this month, when the CRUSADER starts its TEWKSBURY NEWS SECTION.

In response to the papers many requests to give to the residents of Tewksbury news

on a local level, The CRUSADER has engaged the services of Mrs. Helen Murphy, Temple Street, Tewksbury, to cover the town and provide the residents with news of interest.

Anyone desiring to enter news in the Crusader may do so by calling Mrs. Murphy at OL 8-4148.

Memorial Day Committee Meeting Friday

There will be a meeting of the Memorial Day Committee, Friday, at 9:00 p.m. at the D.A.V. Hall on Grove Avenue. Chairman James Shine has announced that the services of a band and a marching unit of girls has already been obtained. All members of this committee are earnestly urged to attend this meeting as plans will be carried on regardless.

Immunization Clinic

The Board of Health will hold an immunization clinic against Diphtheria, Whooping Cough and Tetanus, at the American Legion Hall, Tuesday, April 23, from 9:30 to 10:30 a.m. Only those children who have not had an immunization dose are eligible.

Equine Inoculations?

Due to a number of requests regarding the inoculation of horses, ponies and mules, against Equine Encephalitis, Patrick A. Thibau, Health Agent, is asking all persons interested to register with the Board of Health. This request is made to determine whether the interest warrants such a program.

NEWSBOYS WANTED

Newsboys are wanted to deliver the Wilmington Crusader to homes in Tewksbury. Anyone interested may call Mrs. Helen Murphy, Temple Street, OL 8-4148 or this paper.

NOTICE

The Mass schedule for St. Dorothy's Parish as listed elsewhere in this paper has been changed. The corrected schedule is: at St. Mary's, 7:00, 8:15, 9:15, 10:30 and 11:45; at St. Dorothy's Hall 8:45 and 11:00. Daily Mass is at 7:00 a.m.

WILMINGTON FIREMEN'S ASSOCIATION

Hi - Lites

At the annual town meeting held on March 4, 1912, Article II asked the town to raise and appropriate the sum of \$1,500 to install Water Cisterns for the use of the Fire Department. The Moderator made a motion to pass the article at this time because the Ladies had prepared a dinner in the vestry of the Church. It was

voted to adjourn the meeting until 1:30 p.m. When the meeting was called to order they voted to raise the sum of \$1,000 for the water Cisterns.

Article 15 asked that the Committee on the Automobile Fire Apparatus, which was Two years ago, to look into the matter further, and report back at the next Town Meeting.

Article 16, asked the town to purchase Hats and Coats for the Fire Department. The town raised \$150.00 for same.

Article 17, asked the Town to build an addition on to Engine House No. 1, to be used as a stable. Voted, to pass the article at this time.

Article 18, asked the Town to place Fire Extinguishers in the district Schools. Voted \$40.00 for same.

At a special Town Meeting held May 25, 1912, the Town heard the report of the committee on Automobile Fire Engines. After a lengthy

discussion the Article was voted on and lost. So the Town continued to have Horse Drawn Fire Engines.

Please remember that the number to call for general information, which includes Permits, or information on whether there is any School, or business in general, is OL 8-3346. The number to call in case of an emergency is OLiver 8-3200.

See you next week, Your Friendly Fire Fighters.

GRANGE NEWS

Wilmington Grange will put on the third and fourth degrees this Wednesday night, at the Grange Hall, at 8:00. We hope all the members will be present to greet the new candidates coming in. A supper will be served beginning at 6:03 and reservations must be in by Monday night.

The Wilmington Grange Hall Corporation has asked that anyone interested in renting the hall, please call Mrs. A. Brabant OL 8-3794.

Thomas McQuaid OL 8-3517, Mrs. B. Desharnais, OL 8-3781.

ST DOROTHY'S HOLY NAME SOCIETY

Next Sunday, is Communion Sunday, for the Holy Name Men, and the men of the parish. All men are asked to be present at the 7:00 a.m. Mass.

On Sunday night, at 7:30 the Holy Name Soc., will meet at the Parish Hall on Main St. The president Mr. Gerald O'Brien, invites all the men of the Parish to be present at these meetings.

DRUG STORE TO BUILD UP

Plans are being formulated for the building of a second floor over the Wilmington Center Pharmacy. When these plans are completed, more details will be announced to the public.

At this time, two doctors and a pediatrician have already requested office space in the building. They hope to supply our town with a complete, six room clinic, including blood-testing and X-ray equipment.

ST. THOMAS' NEWS

Permission has been given to John Smith, John McDonough and Fred Roche to canvass the parish in favor of the Holy Trinity Bible.

Our minstrel show is only three weeks away. Anyone who would like to be a patron or patroness and has not been contacted, may sign the paper at the rear of the church - adults \$1.00, children 50c. It is urgent that we get the names in as soon as possible to meet the printer's deadline on April 13.

Thursday at 8:15, the monthly meeting of the Catholic Daughters. Sociality activities will be included with the Day of Recollection on Saturday.

Saturday, annual Day of Recollection for the Catholic Daughters with Mass at 9:00 a.m. Exposition of the Blessed Sacrament from 1 to 4 and Holy Hour for all from 3 to 4.

Next Sunday is Communion Day for the men of the parish, especially the Holy Name Society.

At 12:30 p.m. the spring Paper Drive. Please tie papers and magazines separately and securely. Those who can be asked to bring their bundles to the spur track on Middlesex Ave. and Main St.

Gratitude to Mr. and Mrs. William Bradley, Andover St. for arranging to harbor a Hungarian family, and the Holy Name Society for gathering some necessary furniture. The husband has been engaged as our temporary sexton.

Also to Miss Bessie McMahon for donating the new flood light for the church parking space; and to Mrs. May Quandt for volunteering to make a new alb and a red cape needed for Holy Week; to Mr. and Mrs. Sciarappa for their flower donations; and to Louis Weaver for donating lighting equipment needed for the minstrel show.

The list for Nocturnal Adoration on Holy Thursday is on the bulletin board. Please be ready next Sunday to designate our hour to watch and pray.

The C. Y. O. Scrap Drive will be held the latter part of April.

Prayers are asked for the Rev. Daniel J. Kelley who is convalescing at his sister's home on Williams Ave. We urge you to send him some form of a cheerful message to reassure him of your prayers and solicitude.

FILM FOUND

An undeveloped roll of No. 620 film was found at the Wilmington Postoffice.

last week. Owner may recover same by applying at the Postoffice.

HOUSEHOLD SHOWER
FOR MR. AND MRS.
ARSENAULT

Mr. and Mrs. Albert Arsenault, who were married recently in Florida, were the surprise guests of honor at a "household" shower held for them at the home of the groom's mother, Mrs. Florence Kane of Woburn St., last Saturday evening.

Guests were present from New Hampshire, Tewksbury, Woburn and Wilmington. The room was beautifully decorated with blue and white streamers. The tables boasted a lovely setting with an appropriately decorated cake as a center piece. Many fine and useful gifts were received by the happy couple, including a purse of money.

The Arsenaaults will return this week to McGill Air Force Base in Tampa, where "Al" is stationed.

TOWN OF WILMINGTON, MASSACHUSETTS
BOARD OF HEALTH

Equine Encephalitis Clinics

Persons who own or have charge of horses, ponies, mules and who are interested in having these animals inoculated against equine encephalitis are asked to register with the Board of Health.

The Board of Health has received a number of inquiries regarding such clinics and is taking this means to discover whether the interest warrants the establishment of such clinics.

Patrick A. Thibeau, Agent

TEWKSBURY
NEWS

SEEN AND HEARD

by Helen Murphy

In one of the most impressive ceremonies that your writer has had the privilege to attend, a group of little ladies of South Tewksbury, were invested into the Girl Scouts of America at the South Tewksbury Betterment Association hall, on April 2. Although simple in their actual demonstration of their Pledge of Allegiance, recitation of their Laws and Promise, singing of the National Anthem, and their Candle Light set off by an invited guest of Mrs. Mary Nugent's Troop 139, Jean Watson, I do not believe there was a dry eye including my own among the on-lookers. The girls who are now privileged to wear the pin which set them off as Girl Scouts are as follows: Lynn Anderson, Helen Andre, Beverly Bell, Mary Brennan, Sandra Burris, Lilian Carroll, Camille Edwards, Judy Finn, Anita Gillis, Evelyn Gertig, Marjorie Giles, Diana Hyde, Mary Murphy, Rosemary Murphy, Betty Ann Patterson, Donna Powers, Maureen Quinn, Arlene Riddle, Janet and Carol Smith, and Linda Sullivan. Flag bearer for the occasion was a Scout already invested, Charlene Tanner, and the Color Guards were: Mary Murphy and Marjorie Gillis.

Following the leaders, Mrs. Mary Love officially presented the pins to the girls and 2 adult leaders, Mrs. Dalton and Mrs. Gertig, a greeting from Rev. Fr. Joseph Leahy, of St. Dorothy's Parish was received with large ovation. The sponsor of this group, the S.T.B.A., was represented by the board of directors of the organization, Mrs. Gordon Jackson, Mrs. Jerome Carpenter, Robert Dixon, Mrs. Charles Carter, and Mrs. Joseph Whelan.

Refreshments were served by Mrs. Frank Hill, assisted by Mrs. Eva Gertig and Mrs. Charles Carter.

In all fairness I must end this article with a salute to the leaders of all the scouts of our town who have dedicated so much of their time to the betterment of the future of our little citizens.

In helping to organize new troops which bring about new interest to busy little minds and hands.

It's a wonderful feeling to know the majority of Big People help, and it is only a small person who aids dis-solution of any good flourishing Scout Troop. Carry on good leaders, good citizens will always help not hurt our kiddoes on the road up.

Church Supper

Mrs. Robert Hair, chairman of the church supper,

will be held on April 24, at St. Dorothy's Hall, names her committee as follows: Mrs. Edward Burnham, Mrs. Walter Gratsky, Mrs. Anthony Lambert, Mrs. Joseph Beatrice, Mrs. John P. Murphy, Mrs. Edward Murphy, Mrs. Frederick Burnham, Mrs. Sophie Giles, and Mrs. Helen Kulka.

The supper will be served promptly at 6:30 and Mrs. Hair urges all who plan to attend to obtain the tickets early so none will be disappointed as there is a set limit as to the amount to be served.

Tickets may be obtained by contacting Mrs. Edward Burnham, ticket chairman, at OL 8-3087, or any member of the committee. A drawing on a clock radio will follow the supper as well as a penny sale, all to aid the very worthy cause of St. Dorothy's Building Fund.

Returns To Base

Pvt. Kenneth Mallison, son of Mrs. Alex Mallison of Willow St., has just returned to his base at Fort Dix, after enjoying a thirty day furlough with his family and friends. He is now awaiting his orders overseas.

Saturday Dances

On Sat. Eve. April 6, another in a series of monthly dances was held at the S.T.B.A. Hall. Contest on an old fashioned Polka was met with great enthusiasm and won by Mr. and Mrs. Gene Conaway, of Medford. These dances are well patronized by about 100 people. Music is played by Howard Oldmixon's 4 piece band. Next on the agenda is booked for May 14. All members and friends are invited, so see you there.

Recuperating

Mrs. John Emro, of White St., is recuperating nicely after her recent accident on the Main Highway.

Home From Hospital

Mrs. Edward Davis, of School Street, was recently discharged from St. John's Hospital, after her stay resulting from her accident. Her many friends are glad to know that Jess is on the road to recovery, let's hope it won't be long before we see her about town as active as always.

Cancer Drive For Tewksbury

Mr. and Mrs. George Lafave of Coburn Ave., Co-Chairmen for the Town on the Cancer Drive extend a cordial invitation to all women over the age of twenty, to attend the showing of the Cancer Film at the Town Hall, on Friday Eve., April 12, at 8 p.m. This film will be shown free of charge and should be well attended by all.

Dr. Robert Rogers and Dr. Benjamin Lambert will be on hand to answer any and

all questions of the assembly. The door to door campaign will take place on the Evening of April 30. Heading up this phase of the drive are from the North - Area Chairman - Miss Mickey Lisay - West - Mrs. Frank Steele - East - Mrs. William Webb - South - Mrs. Edward J. Murphy.

Mr. and Mrs. William Kavanaugh, of Lowell, notified us this week they are the proud parents of a baby boy. Mrs. Kavanaugh is the former Joan McGlinchey, is the very popular second grade teacher of the Shawsheen School.

Miss Lois Gorrell, daughter of Mr. and Mrs. Richard Gorrell, of Laurence Street, has recently taken up the second term of her training, as X-ray Tech., at Mass. General Hospital, in affiliation with her course at St. John's. Lois is a recent graduate of Keith Hall.

A very successful dance was held at Town Hall, Friday Evening, by the Booster's Club in aid of the Athletic Fund. Next one in line to be held on May 3. Mrs. George Lawler Sr., is chairman of these Socials assisted by Mrs. Elizabeth Haines and interested youngsters of the Town.

Congratulations are in order for Mr. and Mrs. Joseph Quinn, of Loyd Ave., on the birth of a new son, at St. John's Hospital.

Miss Josephine Bastie, of Fitz Terrace managed to be home after her recent operation at the Central Hospital, in Somerville, to attend the very gala Family Dinner given in honor of her Sister, Frances, on the occasion of her parent's announcement of her engagement to Mr. William Foton, of Billerica. No immediate wedding plans were announced.

Every Monday Night, a group of Twenty One Girls meet at each other's homes, as members of the T.G.K. They very graciously devoted these letters to me as the Tewksbury Girl's Club. They are headed by a very popular teenager of our Town, President; Sandy Hayes, Vice President; Joyce Sussenberger, Secretary; Beverly Ebenger, Treasurer; Sally Curtis. When I asked what was going on besides the Social aspect of the Club, I was informed they were in process of getting a Variety Show together to be held at the North St. School. Makes you feel good all over to see a little group like this doing a good job together. The next meeting will be held at the home of Gail Lawler, of Pleasant St., in the Center. S. T. B. A.

Upon the resignation of Mrs. Frank Balkus as Secretary of the S. T. B. A. due to a change in her address, Mr. Thomas Abbott was unanimously elected to the office. He has informed us of the coming plans for a 25th Anniversary Supper, to be in charge of the Board of Director's plus any and all members who wish to help. This affair started to roll, due to one of the Charter members, Mrs. George Hamilton's motion. I will have more particulars after the next meeting of the Organization as now everything is in a tentative process.

The S. T. B. A. which has spearheaded many a worthwhile endeavor in the past has recently sent a letter to the State Board of Public Utilities in regard to the rates being charged here in Town. It sure will be interesting to hear the reply as many a budget-wise homemaker is certainly thrown off her carefully planned budget when she reads her monthly bill.

Trout Season Opens

Local Fishermen will be mighty interested to hear

Dear Mabel,

What's New in Department "Q"?

Yours,

Eve N. Stephen

Dear Eve,

The latest addition to the DRIVE-IN is that week-old brood of cute, little, yellow ducklings for Easter. They must be seen in their swimming pool to be really appreciated. Won't you be our guest?

As Always,

MABEL

P.S. Now's the time to get yourself and your glassware in shape for Easter and the entertaining season, folks!

SHAMROCK DRIVE-IN

ROUTE 38 IN WILMINGTON
PARK - IN - PEACE

(NEAR SILVER LAKE)
OPEN EVENINGS TILL 11

Trout Season opens April 20, and Tewksbury boasts three streams fully stocked. Namely Shawsheen River, Trull Brook and Heath Brook.

Returns From Trip To Florida

Mr. and Mrs. Fred King, of Parker Ave., have just returned from an extended tour of the beautiful State of Florida. They tell us it is out of this world, and due to their recent purchase of an old estate we will here after refer to the popular couple as the King's of Tewksbury, and Sarasota, Florida.

Leaves For Service

James Phalen, of California Rd., has left for service, at Fort Dix, N.J. Jimmy is the son of the late Fenton and Mrs. Phalen, and a real popular pal of many of our local set.

Membership Drive

An open message to the members of Chapter 110, D.A.V. of Tewksbury. The Ladies who are eligible for membership in your Auxiliary are happy to hear the good news, that an open meeting will be held for the formation of a Ladies Unit, at Town Hall, on April 28. The question has finally been answered as so many times we felt you just didn't want us, boy's. Come on Girl's we have asked for this, let's get up there and join this unit fast. Everybody isn't eligible so those who are don't let it be said we were not interested enough. Prove to the boy's they must never under estimate the power of a group of women. See you there!

Elite Club

The Elite Club met this week, at the home of Miss Irene Magnusson, of South

St. After their Business meeting they all enjoyed a Card Party with top scores going to Helen Black, Adelaide Kenny, Eleta Brabant, Irene Magnusson, and Esther Stevenson. Refreshments were served by the Hostess and all left looking forward to their next meeting which will be held under the direction of Mrs. Mary Love.

Tewksbury Garden Club

The next meeting of the Tewksbury Garden Club will be held at the Town Hall, on Wednesday Eve. Any person in town who is not familiar with this very worthwhile organization, who is a homeowner just plain interested in improving their surroundings would be doing themselves a personal favor in attending this meeting. The Topic for discussion this

April 10, meeting, will be Garden Vegetables for Home Owners. Many good hints are given out by the various invited guests and the people who through one experience or another are able to help their fellow members.

The organizer of this Local, our own Tree Warden, Walter Doucette, is always more than willing to assist you at any time. So fellow gardeners take advantage of what is going on right in our own Home town.

V. F. W. MOVIE

The feature picture on the V.F.W. movie matinee this Saturday, will be "Frances Joins the Wacs" starring Frances the talking Mule. Also chapter five of "Lost City of the Jungle". This movie starts at 2:00 and is over at 4:15.

TOWN OF WILMINGTON, MASSACHUSETTS
BOARD OF HEALTH
IMMUNIZATION CLINIC

An immunization clinic for the protection of children against diphtheria, tetanus and whooping cough will be held at the American Legion Hall on Middlesex Avenue, Tuesday, April 23, 1957 between the hours of 9:30 to 10:30 A.M.

Only those children who have not had an immunization dose are eligible.

Patrick A. Thibeau, Agent

TOWN OF WILMINGTON, MASSACHUSETTS
BOARD OF HEALTH
NOTICE TO HOUSEHOLDERS

Due to the number of complaints received by the Board of Health regarding glass, razor blades and other material injurious to live stock being deposited in garbage containers; the Board of Health hereby reminds all householders, that under the terms of the garbage collection contract the contractor is not obliged to collect garbage from any home violating the following provisions:

1. Garbage containing paper, tin cans, razor blades, glass and other material injurious to live-stock.
2. Containers that exceed 15 gallons capacity.
3. Containers that are not tightly covered or water-tight.

FLOURIDATION BATTLE STILL RAGES

Continued from page 1

this statement is: that if the parents find giving their own children the medication which they themselves feel necessary a tiresome chore, there is something lacking somewhere.

Why should I take medicine I object to simply because someone's mother is to busy to give it to her own child? Furthermore, if it is so harmless, why do you use the argument that a child could be harmed if he or she swallowed several flouride tablets

In contrast to claims of the flouridators that the A.M.A. wholeheartedly endorses flouridation, Dr. George Lull, Secretary and General Manager of that asso. testified before a congressional committee: "The councils purposely refrained from making any recommendations that communities support or oppose projects for the flouridation of water supplies."

You stated that the addition of flourides to the community water is the only practical way of assuring sufficient flourides. In a recent published flyer, which I have in my possession, I find the following list of foods which have an organic flouride contents: Acid calcium phosphate baking powder, tea, gelatin, celery leaves, cabbage, outer leaves, canned mackerel, canned sardines, canned salmon, rice, spinach, celery stalks, fresh rye bread, canned shrimp, smoked herring, ginger bread, cocoa, egg yolk, whole buckwheat, frankfurters, cheese, liver, butter, oysters, chicken, round steak, flour, pork chops, honey, corn, tomatoes, apples and lettuce.

You have made it clear that too much flouride could be harmful. It hardly seems necessary to take more via our water, when all the above listed foods contain the chemical in question. The poorest family in the town could certainly obtain a few cabbage leaves if they feel their children are not getting proper benefits. Chewing the cabbage leaves would also give exercise to the jaws, which drinking a glass of water will not.

You also made a statement regarding protective vaccines and serums. Last summer, before the state would allow any child to receive the salk injection against polio, it was necessary for you to obtain the written consent of parents. Why then can you force us all to take chemicals into our system to prevent tooth decay

To my knowledge, the only compulsory vaccination at present is that against Smallpox. This I fully agree with. Smallpox is a deadly disease which could spread and kill. How many times have cavities been contagious? How many people have died of bad teeth?

I fully believe that every statement made by you was the truth. I do feel however, that much of the truth was left unsaid. I also believe that you have the best interest of the town at heart. I simply disagree as to what is best. I have not set my-

self up as an expert. I am far from that. I am merely a citizen, who objects to being deprived of his constitutional rights.

As usual,
J. P. Grinley

SATURDAY NIGHT OLD TIMERS DANCE

Old Timers Dances are being held each Saturday night during the Lenten season at the Tewksbury Town Hall under the sponsorship of Charles Donohue of Lowell. Music is furnished by Charlie Donahue's orchestra. Waltzes, Fox trots and novelty dances are featured every week, starting at 8 p.m. and continuing until 11:30.

WILMINGTON MAN RECOVERS BODY OF YOUTH

Wilmington — Eugene Sullivan, former Wilmington police officer, now with the MDC, located the body of a 19-year-old youth, who gave his life in a vain effort to save the life of a suicide victim, in the Charles river, Monday.

Skin divers and Metropolitan district police from Riverside station searched for the body but it took nearly four hours to find him. Officer Sullivan of Crest Ave., Wilmington, hooked onto a large section of tree, with the grappling hook and the body was found caught in the branches.

Officer Sullivan was a member of the Wilmington police department until about a year ago when he passed the test to become a member of the Metropolitan district police.

ART EXHIBITION AT WILMINGTON BANK

Davenport Davis, assistant cashier at the Wilmington Branch of the Middlesex County National Bank announces that it will present, as a public service, an exhibition of paintings by nationally known artists of the North Shore Arts Association from April 22 to April 26. The exhibit will be in the room adjacent to the bank.

Mrs. Wavie Drew who is in charge of the arrangements, has obtained the following ladies to serve as hostesses: Mrs. John Tobey, Mrs. Kenneth Lyons, Mrs. Louise DeFelice, Mrs. Donald Kidder, Mrs. Frank Stevens, Mrs. John Haywood, Mrs. E. Haywood Bliss, Mrs. Arthur Drew, Mrs. Ambrose Bickford, Mrs. Richard Drew, Mrs. Frank Hagerty and Mrs. Robert Michelson.

ARMY RECRUITERS NOW ACCEPTING 6 MONTH ENLISTMENTS IN RESERVE

Young men may now fulfill their military obligation with only six months active duty instead of the two years formerly required, according to Master Sergeant, James G. Everett, local Army Recruiter.

The sergeant states he has now received authority to enlist young men in two new programs of the Army Reserve. The first program is open to men between 17 and 18½ years of age. These men may enlist in the Army Reserve for a period of 8 years. Six months of this time will be spent on active duty for training and 4½ years will

FOR SALE

1 set of bedroom furniture. May be seen Saturday, April 13. Call MO 3-3951.

be spent in the Ready Reserve. The last three years may be spent in the Standby Reserve.

Members of the Ready Reserve are required to attend training periods one night each week and two week summer encampment each year. Members of the Standby Reserve take no training and can be called to active duty only by Act of Congress.

The second program is open to men between 18½ and 25 years of age, inclusive. These men may enlist in the Army Reserve for six years. Six months of this time will be spent on active duty for training and the remaining 5½ years will be spent in the Ready Reserve.

The Ready Reserve period is a year longer than for the younger men, but the older men are not required to serve in the Standby Reserve.

Young men interested in either of these plans are urged to contact the Army Recruiting Station at VA Building, 89 Appleton St., Lowell, for full information.

Recent eye studies indicate that most persons can read uninterrupted for six hours without suffering eye strain of fatigue. It is unlikely that the studies were made in the average household filled with children or the word "uninterrupted" would not have been used.

SELECTMEN'S — NEWS

While May 12 to 25 has been officially designated Clean-up, Paint-up week, preparations to present Wilmington's New Look, will be started immediately.

The Board of Selectmen emphasized at their meeting Monday evening, that the help of everyone in Wilmington is needed to do a job that will be pleasing to everyone in Wilmington, and to visitors.

A meeting will be held next Monday, at 8:45 p.m. at Town Hall, at which the Selectmen would like to see representatives of all Civic groups in town present, to plan a program to do a thorough clean up job, before Memorial Day. The Town is undertaking a program to clean what it can itself, a street-sweeper is being hired to clean the residue of sand left from winter, offensive signs have been ordered removed, and Town owned property will be refinished.

The Knights of Columbus, who originally appeared before the Board to request permission to hold a carnival at Rotary Park, and were advised to use the facilities at Town Park, decided Town Park would not be satisfactory. Having received permission from Archbishop Cushing, to use St. Dorothy's field they applied and were granted a license for this

location.

A license was granted to the V.F.W. to hold a carnival at Town Park provided that the restrictions laid down by the Planning Board be followed. The Planning Board advised that no part of the carnival be set up on any part of the playing fields.

The D.A.V. was granted permission to hold a "Forget-me-not Drive on May 3 and 4, through town.

A license to sell ice cream from a truck, on weekdays only, was granted. Ralph Zwicker was granted a renewal of his taxi license. A boat license was granted Tom McQuaid, with the same restrictions that applied last year.

An application for permission to purchase a firearm was received by the Board. Mrs. Sheldon reported that the applicant had not requested permission to carry the gun, he had stated that he merely wanted to have it in the house. Mr. Hagerty and Mrs. Drew stated that they did not feel the applicant had sufficient reason and asked Chairman DeFellece to request more information.

Reports were received from the Town Manager and the Fire Chief regarding condemned buildings. One building on St. Paul St., will be burned down, two others, on St. Paul St., and Fairmeadow Rd., were too close

to other buildings or trees to burn and steps are being taken to assure their removal by other means. The owner of another piece of property on Nichols St. has promised to remove the structure by April 21.

A letter was received from James Harlow, Pres., of the Shawheen Improvement Association, heartily thanking the TM and the Board for the help given them in their fight for a new bridge, on Nichols St. Mr. Courtney said, that he felt the close vote to reject the bill (37-47) was encouraging, that a future appeal had a good chance of approval.

A letter was read from the State Police asking for Wilmington's Taxi Rules and Regulations, due to taxi situation at Logan Airport.

Mrs. Drew reported that she had received complaints about dogs on Wildwood St., and had advised the circulation of a petition.

The Reading Light Co., is beginning work on repairing the edges of Lowell and Woburn Sts. Arrangements have been made to have trash barrels in the square cleaned out regularly.

In answer to a question by Mr. Kidder regarding completion of the shoring in the police-fire station, Mr. Courtney advised that work is being held up pending a final report from the original architects.

A letter expressing the gratitude of St. Thomas' Parishioners for the guard rail on Middlesex Ave., was received from Rev. Fr. Edmund Croke.

Mr. Courtney showed the board new maps defining town owned property.

Invitations have been received by Mr. Courtney and Mr. Calabrese to speak before the Taxpayers Federation at their next meeting.

The Selectmen went into executive session at 11:05 and adjourned at 1:41.

ST. DOROTHY'S ANNOUNCEMENTS

Parishioners are again reminded of the new schedule of Sunday Masses at St. Mary's. They are at 7:00, 8:15, 9:15, 10:30 and 11:45. (The 8:15 Mass is the Children's Mass at St. Dorothy's Hall.) At St. Dorothy's Hall, 8:45 and 11:00 (no longer 10:30 as before). Daily Mass is at 7:00 at St. Mary's and additional Masses on Friday, Saturday and next Monday at 8:30 a.m. and on Wednesday evenings.

First Communion classes are held at St. Mary's and at St. Dorothy's Hall on Wednesdays and Fridays at 3:30. The First Communion will take place on Saturday, May 11. Boys should wear white suits and dress shoes. Girls should wear white dresses, white veils and dress shoes. Choir rehearsals will be held at St. Mary's on Thursday at 3:30 and 7:00.

Stations of the Cross are held each Friday p.m. at 5:00 for the children and Friday at 7:30 for the adults.

The annual Retreat for members of the Holy Name Society and the men of the parish will take place at the Stigmatine Fathers Retreat House in Waltham beginning at 6:00 Friday evening with supper and ending Sunday at 3:00. As many men as can do so are urged to take advantage of this retreat. Kindly contact Pres. Gerald O'Brien or the Rectory.

Religious instruction classes are held each Saturday morning at 9:30 at the Shawheen School, St. Mary's and St. Dorothy's Hall.

Sunday is Communion Day for the men of the parish.

The paper drive will take place Sunday afternoon. Again we ask that all bundles of waste paper and magazines be tied securely and placed in a convenient place before 1:00 for pickup. Volunteers, workers and trucks are requested to assist.

Altar boy candidates meet at St. Dorothy's Hall on Monday at 4:00 and at St.

Mary's at 7:00.

Rev. Fr. Leahy is grateful to the Blitz committee for the proceeds of the weekly Tuesday evening parties. He is also grateful to the ladies of the parish for the proceeds of last Friday's Whist. This Friday evening the ladies from McLarenville will conduct another whist at St. Dorothy's Hall.

EIGHTH CHILD FOR THE BAKERS

Mr. and Mrs. Raymond Baker of Mystic Ave. announce the birth of their third son and eighth child, on April 5, at the Winchester Hospital.

Mr. and Mrs. Robert Wilson and Mr. and Mrs. George Baker, all of Lawrence are the proud grandparents.

GROUND OBSERVER MEMBERS RECEIVE AWARDS

Six members of Wilmington Ground Observer Corps were presented their Hundred Hour Award, at a meeting held at the Town Hall last Monday evening. 1st Lt. Charles Dungan and M-Sgt. Leo R. Sousa of the Manchester (N.H.) Air Defense Filter Center were present to give the awards to the members of the group which is under the direction of Civil Defense head Rene Larivee.

Receiving his Chief Observer Wings was Harvey Hudson, and those who were given 100 hour awards are: Judith Livingstone, 110 hours; Fred Smith, 151½ hours; Doris O'Connell, 175 hours; Mary Sutherland, 185 hours; Mary Howard, 173½ hours and Robert Howard, 149½ hours.

Four members had totaled enough hours to win their wings. They included Melvin Cassidy, James Shine, John Brown and Carleton Eddy.

LOCAL BUSINESS MAN PROUD FATHER

Mr. and Mrs. Jack Pastor of 245 Stevens St., Lowell are receiving congratulations upon the birth of their son. The new arrival was born at Lowell General Hospital on Monday evening, April 8. The Pastor's have two other children, Gail and Jeffery. The proud father is the owner of Stevens Supermarket.

WILMINGTON ROTARY NEWS

The weekly meeting of the Wilmington Rotary Club was held last Wednesday noon with president Herbert Pickering in charge. After one verse of America, and a salute to the flag, the President called upon Henry J. Porter to give the invocation. After the luncheon the

president introduced the following visiting Rotarians: one from Reading, three from Winchester, one from Woburn, and two from Medford. Dr. Chernoff introduced his guest, Richard Crispo.

Acting Secretary Henry J. Porter informed the club that a 100 per cent record was established for the month of March. The President announced that a meeting of the Board of Directors would be held after the regular meeting.

The President turned the meeting over to Ed Osberg, who in turn introduced the speaker of the day Professor Liepmann. Mr. Liepmann was born in Germany, and studied at the Hamburg Conservatory of Music. At present he is Professor and director of music at M. I. T. He spoke briefly on the musical program that is being carried on at the institution. He stated that they have a fine coral group that was invited to Germany by a Technological Institution in Darmstadt. While in Germany they participated in an international

musical competition. The German audiences were amazed at the fine musical renditions given by this group and according to Professor Liepmann, an invitation has been given for some future date.

THE LEGIONNAIRE

The joint American Legion and Auxiliary Committee of Wilmington Post 136 have completed plans for the big Legion BLUE & GOLD Banquet to be held at the Post Quarters on Saturday, May 4th. The Committee is working hard to make this an affair to remember, and to regain the prestige and quality which a Legion dinner should merit. Ma's. of Wakefield, will handle the dinner, and there will be dancing to a Hi-Fi after the meal. Every effort is being made to insure that the evening will be a successful and available one for all who attend. Tickets are available from members of the Legion or Auxiliary, or they can be had by calling Mrs. Rose Butt at OLiver 8-3696. The deadline on tickets is April 24, so don't hesitate.

There has been considerable publicity in one of our local papers lately regarding a letter which was written by one of our townspeople. The writer of this column does not feel that the misive, or the originator, is worthy of further notoriety. I remember a quote from my childhood which went something like "Let him who is without sin cast the first stone."

The Athletic Committee under Charlie Higgins and Walter Collins, is lining up players for the Post Softball team. Any Legionnaire who is interested should contact Charlie without delay.

Our last meeting on April 4, produced several controversial items. One interesting one was a question regarding the Charter for Clubhouse, Inc. This was tabled until the next meeting to permit the Commander to get a copy of the Charter. It could be an interesting meeting.

Of the War Widows whose husbands died from service connected causes before January 1, 1957, 60 per cent have not yet applied for increased dependants compensation under the Survivors Benefit Act.

A Square Deal for every child has been the child welfare goal of the American Legion for 32 years.

Disabled veterans who fail to apply for Social Security "Wage Freeze" before June 30, 1957, may find that they have lost their rights to disability payments at age 30 under this program, and to other Old Age and Survivor Insurance payments for themselves and their dependents. If a veteran applies before June 30, his Social Security record can be frozen as of the actual time the disability occurred as far back as October 1941. The American Legion is cooperating with the Department of Health, Education and Welfare in a nationwide effort to bring information of this important deadline to all disabled veterans.

JUST A FEW THOUGHTS IN PASSING: Congratulations to Fred Lloyd on his local V. F. W. post. I hope he continues his activity in our organization also --- It's nice to have Past Commanders James Castine and Nick DeFelice back at our meetings --- The request for Banquet tickets is very gratifying --- Missed Carl Dreger at our last meeting. Hope he makes the next meeting when we discuss Clubhouse --- The Co-operation of the Auxiliary on the Banquet plans makes it a pleasure to be associated with them --- Barnie McMahon deserves a big pat on the back for the work he did handling the recent visit of the Newcastle, Delaware, high school band. They were really good --- The American Legion is a non-political organization. We are trying hard to observe it --- The next meeting will be held on April 18, --- Come on down and try the coffee.

Talk Of The Town

By Hank Filippone

THE OLD PHILOSOPHER remarked, after attending the past annual town meeting: "The only thing necessary for the triumph of evil is for good men to do nothing."

Another example of Community Service from the Veterans Organizations comes up next month, when the American Legion Post 136 sponsors the Cerebral Palsy fund raising campaign. Its interesting to note that in spite of the adverse feelings towards veterans organizations in this town, the veterans are continuously being called upon to support these campaigns and invariably accept the responsibility.

The Cancer Crusade, under the direction of George Cushing, will conduct their door to door campaign on Tuesday, Tuesday, April 16, 8:00 p.m., Tuesday, April 16. A question and answer period will follow immediately after the showing by a panel of Doctors, headed by Dr. McNulty of Wakefield.

Don Kidder, the peoples choice, attended the V. F. W. movie matinee last Saturday and got as much enjoyment out of the showing as did the kiddos. After the closing, Don clipped in and helped clean the hall out, so now he can attend free next week and see "Frances Joins the Wacs" starring Frances the talking mule.

Walter Bradley of Salem Street has sponsored an Hungarian couple with two children. Mr. Bradley modestly refuses to enlarge on the subject, but we of the Crusader feel that his action is certainly worthy of comment.

The planning board has had an application for permission to hold a carnival at the town park since April 2, and as yet have not been able to make up their minds. It seems to this writer that the planning board could certainly make a decision, one way or another, in much less the time that has already elapsed. If this is indicative of prompt action, I fail to see the future of Wilmington. Last year the Board of Selectmen voted that no more carnivals would be held in ROARS FROM THE LIONS DEN

The next regular meeting of the Wilmington Lions Club will be held at 6:30 p.m., at the V. F. W. Hall on Wednesday, April 10, 1957 - King Lion John Cuoco presiding.

Brother Lion - this meeting plans to be very interesting with the news of the coming years new officers to be presented.

Lion Tony DeLuca introduced Mr. Whittridge, Vocational Guidance Director at Wilmington High School to the club. Mr. Whittridge spoke for a short time on the Lions Club and the placement of students in part time jobs throughout the town. After the speech - I never knew we had so many "Sea Lawyers."

Coming Events. Get your tickets early for the coming Lions Easter Ball to be held at the Andover Country Club on Friday evening, April 26. As usual, this will be a good time for everyone to get out and ROAR with the Lions.

Lions Broom and Bulb Sunday drive is coming up soon. Due to the inclement weather the Lions Club has postponed the drive until the spring. We are ready to go now, though.

Brooms, Bulbs and tickets to the Lions Easter Ball, one or all may be obtained from any LION. FREE DELIVERY.

Miracle: Lion Frank G. turned a way dessert.

very interested. If I played Rock and Roll and told her it was so, she'd be interested in a different way.

Noticed an ad in the Boston Sunday Globe, looking for a Commissioner of Public Works, for a town of 10,000 population northeast of Boston.

Have you noticed how particularly bad your telephone service is when the weather is damp and wet?

The fire department does not get a false alarm every Monday night.

Mr. Kelly, the unpaid heating contractor of the Wildwood School says "everyone agrees that I'm a swell guy, and that I did my work well, and that I should be paid my \$3,000, but I'm still not paid". After three years of waiting for his money, Mr. Kelly is about to take court action against the Town of Wilmington in order to collect his \$3,000. As he is suing for total costs, this action, if found in his favor, will cost the town of Wilmington extra taxpayers money. Keep your eyes open on this one.

CHALK — DUST

by Edward F. Croke

Should public schools include moral and spiritual values in their teachings? How far should teachers go in presenting moral and spiritual values? Should schools teach about religion? The Education Policies Commission of the National Education Association has written a book answering these questions. The following article is a review of the booklet.

The overall service offered to the professional people engaged in public school work in the booklet, *Moral and Spiritual Values in the Public Schools*, is invaluable. The Education Policies Commission has done an excellent piece of work presenting positive views and sentiments on what some might consider a very delicate subject.

Too long has there existed the feeling and practice of relegating moral and spiritual values to the sidelines, and too wide-spread has this practice become. Teachers, administrators, school committee members and parents in the past few years have tended to take a negative attitude towards presenting values and morals to the youngsters. The above booklet should play a very important part in changing the negative approach to a very positive presentation.

In an excellent chapter on "Program" the Commission urged that moral and spiritual values be stated as aims of the school. Parents, school board members and other persons interested should be kept informed of the values sought by the school so that they could easily understand what they might expect from the public schools in this regard.

Teachers should be encouraged to use all their initiative and skill in promoting the positive program. If, at any time, a conflict should arise between "covering" the material set forth in the course of study and the development of moral and spiritual values, there must be no question whatever as to the willingness of the school to subordinate all other considerations to those which concern moral and spiritual standards.

Moreover, the Commission points out that the education of teachers should deal with moral and spiritual values because the ultimate success of a program to develop moral and spiritual values depend largely on the teacher. Therefore, the institution which educates teachers should give full recognition to these values in its curricula. These values should also receive emphasis by inservice workshops and other development programs.

A practical question is raised by the Commission as to whether or not a definite course should be given with a specific time allotted each day for instruction, as in the case of other subjects, English, arithmetic, et cetera. The Commission then answers the question in this manner, "Evidence now available suggests that the procedure most likely is to weave these concepts into the entire life of the school and to make them a vital part of all subjects of instruction in the school program."

In further chapters the Commission rules that all the school's resources, experience and example of its teachers, subject matter, guidance programs, special activities in the classroom or assembly, and extra-curricular activities such as hobbies, clubs and sports, be used to teach moral and spiritual values. Public schools should be friendly toward the religious beliefs of their students. They should teach about religion. They should guard religious freedom and tolerance.

There are a few basic assumptions made by the Commission in the first two chapters which, I think, could stand particularizing, or should be made more definite to strengthen its definition of morals and values. The Commission defined moral spiritual values as, "those values which, when applied to human behavior, exalt and refine life and bring it into accord with the standards of conduct that are approved in our democratic culture." Standards of conduct should be norms set, not with the mere approval of a culture, but by a more fundamental code, based on the natural law and divine law.

The same criticism is made of a further statement, "especially in a society which cherishes the greatest possible degree of individual freedom, the allegiance of the individual to commonly approved moral standards is necessary." Again, a more fundamental phrase than "commonly approved" should have been used to indicate that moral conduct is unchanging because it is based on the natural law and divine law.

The final chapter in this very valuable booklet deals with the problem of "Partners". It is an excellent treatise on the responsibilities of others than just the school alone to inculcate in youth the standards of morals and values. The feelings of the Commission on this score are quite evident in the following quotation. The public schools cannot act every part on the complex drama of personality formation. Any hope on the part of the general public that schools can do the whole job unaided is doomed to disappointment. An attempt on the part of the teaching profession to assume such a staggering responsibility would be certain to end in frustration. The public schools need partners."

Who are these partners? They are the home, the church, and the community. The Commission also includes "potential partners" listing them as "the Big Four of mass communication (the press, radio, television and motion picture) as well as the entire gamut of political, social and economic institutions which touch the developing personalities of children and youth."

For such a small booklet its scope is tremendously widespread. The Commission has done an excellent job of developing a program that should have a definitely uplifting impact on our present day public school education program.

Today the submarine serves as a guided missile platform, early warning station, killer of surface and underwater vessels, scout, coastal raider, troop transport, supply ship, minelayer, and sea-plane tender.

Hot water heating in its most modern form—

AMERICAN-Standard BASEBOARD HEATING PANELS

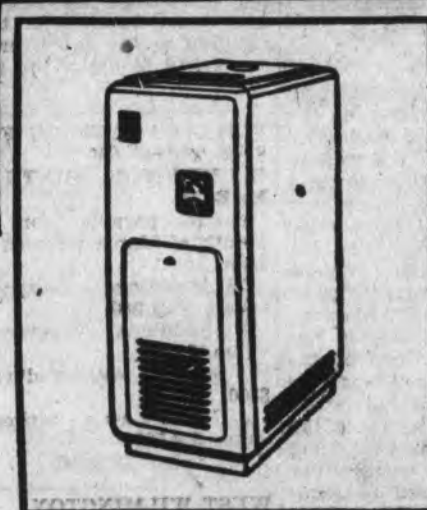

can be installed in your home

on easy payment terms

For new construction or modernization, baseboard panels provide all the comfort and efficiency of hot water heating in its most modern form. Taking the place of regular wood baseboards, the panels save floor space, leave walls unbroken, allow greater freedom of decorating—provide even warmth from floor to ceiling, and from wall to wall.

Let us give you a free estimate on your needs. Come in or call us at your convenience.

Save dollars without skimping on heat—install an American-Standard Standard gas fired boiler. Economical to buy, economical to operate, this handsome boiler gives quick, abundant heat.

Old furnace got you on the run?

then let the
MAGIC OF HOT WATER COMFORT
by **AMERICAN-Standard**
end your heating worries
permanently!

With rugged, compact American-Standard heating boilers and smart, modern baseboard panels, you'll have constant heating comfort that will seem like magic.

American-Standard Quality Heating Equipment

Empire Gas Boiler - Clean, Automatic, economical, gives long years of dependable heating.

- Provides a blanket of warmth all around the house

COMMONWEALTH OF MASSACHUSETTS LAND COURT

Case No. 6036-S

(SEAL)

Upon the petition of John D. Cooke, of Andover, in the County of Essex and said Commonwealth; representing that he is the holder of a treasurer's deed registered as Document No. 24526 noted on Certificate of Title No. 2194 issued from the Middlesex North Registry District covering land in Wilmington; the sale under which has been duly determined by the Tax Commissioner for the Commonwealth of Massachusetts to be a sale under the provisions of the low value statute; that the original tax deed was registered as Document No. 20806 and noted on said certificate and the petitioner prays that said Certificate of Title No. 2194 be canceled insofar as it relates to the above mentioned documents and that a new certificate be issued to him, therefore, it is

ORDERED that the Recorder give notice of this petition forthwith by sending by registered mail a copy of this order to Mr. Harry Sargent Grant and Mrs. Harry Sargent Grant of Cambridge and Dorothy Sargent Flemming of Wilmington in the County of Middlesex and said Commonwealth; Mr. Archie W. Sargent and Mrs. Archie W. Sargent of Bangor and Mr. John B. Sargent and Mrs. John B. Sargent of Hampden Highlands in the State of Maine; Mr. Albert E. Sargent and Mrs. Albert E. Sargent of Cedar City in the State of Utah; Mr. Fred S. Sargent, Mrs. Fred S. Sargent of Rochester in the State of New York; and Alice A. Jenkins of Windsor in the State of Connecticut; and if you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House) on or before the twenty-ninth day of April next.

Unless an appearance is so filed by or for you, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree or orders as the Court may make.

And it is further ordered that notice be given to all whom it may concern and to Mr. and Mrs. Jerome Sargent or their heirs, devisees or legal representatives by publishing a copy of this order once each week for three successive weeks in The Wilmington Crusader, a newspaper published in said Wilmington.

By the Court.

at 8 p.m. The minister will speak on the Church, and at the close of the program the deaconesses will serve refreshments.

There will be no meeting of the Boy Scouts this week.

The services for Sunday morning will be as usual. The Quaintance Club will meet at 5 p.m. At 7:30 p.m. the people of the parish are invited to come to a moving picture entitled "I Beheld the Glory", which will be presented by the Fireside Fellowship. Music will be furnished by the choir, and an offering will be received to defray the expenses of the film.

The Men's Club will hold a spaghetti supper for its members on Monday at 6:45 p.m.

A Center Branch luncheon will be held at the home of Mrs. Louise York on Wednesday, April 17, at 1 p.m. Bring miscellaneous articles for the Spring Sale.

On Easter morning there will be a service of baptism for infants only at the 9:30 service. The reception of new members, with adult baptisms, will take place at the 11 o'clock service. All who desire baptism for their children at the early service are asked to notify the minister.

BUILDING PERMITS FOR THE TOWN OF WILMINGTON. MONTH OF MARCH

Build permits for the Month of March were as follows:

18 dwellings -- estimated value, \$201,500.

6 additions -- estimated value \$9,100.

1 office -- estimated value \$800.

4 Garages -- estimated value \$24,500.

Total value \$235,900

WEST WILMINGTON BETTERMENT NEWS

The regular monthly meeting of the West Wilmington Betterment Association will be held at the West Wilmington Community Club, Thursday night, April 11, at 8:00 p.m.

Many items of interest to the people of West Wilmington will be taken up. Larry Cushing, in charge of Athletic Recreation in Wilmington will be present to discuss future plans for sports and recreation in town. All persons interested in sports and future sports for their children should be present for the open discussion that will be very informative.

Mrs. Pearl Hersom has requested time to talk on the Cancer Crusade in Wilmington. Refreshments to be served after the meeting.

AVCO TO MAKE HYPERSONIC SHOCK TUBES FOR INDUSTRY, UNIVERSITIES, OTHER RESEARCH GROUPS

Devices Produce 18,000 Mph Speeds, Solar Heat; New Uses Seen in Addition to ICBM Research.

Avco Manufacturing Corporation announced today its Research and Advanced Development Division will produce hypersonic shock tubes for industry, universities, and specialized research teams and laboratories. The shock tube is capable of duplicating environmental conditions of flight in speed ranges up to 18,000 mph - 25 times the speed of sound.

Research and Advanced Development Division president Dr. Lloyd P. Smith stated the tubes will be custom-made and installed, based on individual consultation and consignment, to fit the precise requirements of purchasers. A basic shock tube design, proven versatile in Avco's research work, is being offered, made up in five-foot tube sections for installation flexibility. Avco, however, will design, co-ordinate, and manufacture special shock tubes for organizations having unusual or special requirements.

The tubes are complete installations, functioning with optional instruments such as high-speed oscilloscopes, spectroscopes, high-speed cameras, and schlieren instrumentation.

The price of individual tubes will vary according to installation, instrumentation, and size, the company says. A series of shock tubes built by RAD scientists at Avco's Research Laboratory in Everett, Mass., including a 100-foot long unit with a four-inch internal diameter, are estimated to have ranged in cost from \$20,000 to \$500,000.

Avco developed its shock tube series in connection with research and development on the vital nose cone of the Air Force intercontinental ballistic missile (ICBM) under guidance of the Western Development Division of the Air Research and Development Command.

Extensive research in the

fields of hypersonic flow, aerothermodynamics gas dynamics, physics, and physical chemistry, under the direction of Dr. Arthur Kantrowitz, has been in progress since the Everett laboratory was founded two years ago. Avco announced in April, 1956, it had achieved speeds of 18,000 mph (March 25) and temperatures of 15,000 degrees Fahrenheit, 1-1/2 times the temperature at the surface of the sun, in the 100-foot long tube.

Shock tubes now are being employed for investigation of problems in chemistry and structures, and Avco predicts further applications will be found as their use in science and industry increases.

The functioning of a shock tube is simple. Gas is pressurized in a tank called a driver at one end of the tube. A metal diaphragm between the tank and tube is burst by the pressurized gas, creating a shock wave which races through the tube at hypersonic speeds and solar temperatures. Aerodynamic forms placed in a test section of the tube are subjected to the shock wave, as instruments record data. The whole process is measured in microseconds or millionths of a second more than 100,000 times faster than you can blink your eye.

WILL HELP NEW INDUSTRIES

More than 270 cities and towns within the Commonwealth next week will receive questionnaires from the Research Division of the Massachusetts Department of Commerce, asking for information on educational, cultural, social and recreational facilities within their communities.

The information sought will augment other types already available in Department monographs, and is expected to give a more complete picture of various Massachusetts cities and towns for the benefit of new industries, new residents, tourists and others.

The Department's monographs cover 278 of the Commonwealth's 351 cities and towns at the present

time. Eventually, all 351 communities will be included in the monographs.

The experience of the Department of Commerce in industrial development indicates that educational, cultural, social and recreational facilities are more and more important in the thinking of industry, with particular reference to the location of new and expanded plants and to the recruitment of all types of personnel, needed to manage and operate the State's industries.

The questionnaires will be sent to mayors of cities and chairmen of boards of selectmen in the various communities. Information sought will cover the number of public and private primary and secondary, and colleges; names and circulation figures for newspapers; num-

bers and denominations of churches; names and number of volumes in main, branch and memorial libraries; names and types of museums, auditorium and other public buildings; historic landmarks; radio stations; fraternal and civic organizations; names and membership size; service, social and women's clubs and number of members; swimming, tennis courts, theaters and other recreational facilities; number and types of financial institutions; restaurants; hotels; guest and tourist homes; hospitals; number of dentists, doctors and pharmacists; number and types of shopping facilities.

FIRE — LOG

April Fool's Day proved to be a busy one for our local fire-fighters. Most of the calls were very legitimate though, no jokes. Our fire dept., answered nine calls on Monday, April 1.

At 9:45 a.m. engine 3 responded to a call from the home of Mr. O'Brien, on Maes Ave., a brush fire had broken out. Engine 3 went to fight a brush fire at 8:49

Main St., at 12:40 on April 1. At 2:50 p.m. engine 4 sped to the home of Mr. Collins, at 616 Woburn St., where still another brush fire had occurred. Just ten minutes later at 3:00 p.m. engine 3 responded to a call from Mr. Richards of Roosevelt Rd., brush fire. At 3:15 p.m. engine 1 was dispatched to combat a brush fire at the rear of Elia's Store on Middlesex Ave., North Wil-

mington. A brush fire was found blazing on Kelley Rd., at 5:15, engine 4 responded to the call for aid. At 6:10 p.m. a grass fire occurred on Central St., engine 3 responded to the call. At 8:30 p.m. an accidental false alarm was sounded for the high school. Engine 3 responded. At 10:49 p.m. engines 3 and 4 were sent to the dump site upon a report of fires. Thus ended a very busy day.

On Wednesday, April 3, firemen received only two calls: At 4:00 p.m. a grass fire broke out near Jim's Variety Store on Shawheen Ave. Engine 3 responded to the call. At 5:30 p.m. a brush fire occurred on Hopkins St., engine 3 responded. On Thursday, April 4, at 10:59 a.m. a brush fire broke out on Cunningham St., engine 4 responded to the call. At 3:40 p.m. engine 4 was sent to Dudley Rd., So. Tewksbury, to fight a brush fire.

On Friday, April 5, at 2:00 p.m. the ambulance was summoned to take Mrs. Mabel Kennedy of Cedar St., to Tewksbury State Hospital.

On Saturday, April 6, at 8:22 p.m. the ambulance was summoned to take Mr. Coe, of Roosevelt Rd., to St. John's Hospital.

On Sunday, April 7, at 11:13 a.m. firemen received a call from Mrs. James Tindley of Andover St., a fire had broken out in a bedroom closet. Engines 1 and 2 responded. The fire was con-

finied to the closet. Minor damage resulted.

BABY GIRL FOR THE MOTCHMANS

Mr. and Mrs. Kenneth Motchman, of Middlesex Ave., wish to announce the arrival of their daughter, Doris Margaret. Doris was born at Winchester Hospital, on Monday, April 1. Mrs. Motchman is the former June Rice, of Temple St.

Grandparent honors are being shared by Mr. and Mrs. John Snellen, of Marblehead, and Mrs. Alfred Motchman of Pelham, N.H. Also smiling proudly over the new arrival are her great-grandparents, Mr. and Mrs. Carl Cady of Temple St., and her grand aunt and uncle, Mr. and Mrs. Stanley of Church Street.

NARCE

The regular meeting of Chapter 507, of the National Association, of Retired Civil Employees will be held on Friday, April 12, 1957, at 2:30 p.m. in room 19 of the Reading Municipal Building.

Following the business meeting, interesting movies will be shown by the Fitzgerald Service. Social hour with light refreshments will also follow. A friendly welcome will be offered to all Federal Civil Service Retirees.

Corresponding Secretary is Mr. E.A. Brown, 28 Oak St., Reading. Call Rea. 2-0396.

PASSOVER SERVICES TO BE HELD

The Congregation of the Ahavath Achim D'Aaran Synagogue of North Wilmington will conduct Passover Services on Monday evening, April 15, at 7:30 p.m.

A Passover Seder will take place in the social hall at 8:00 p.m.

As My
Garden Sleeps
By Mari Gold

by Mari Gold

One of the outstanding advantages of living in a small village on the country side is that we can have a garden. It does seem strange that so many folks limit their gardening to flowers and lawns, relying on stores for their vegetables, frozen or canned. No matter how varied the assortment the modern markets can offer, they are not like fresh picked vegetables. If you can have your own garden, you can keep trying for better varieties. The market gardener plants mostly for quantity, not quality. Only the home gardener can put on his table, tomatoes which have attained full ripeness on the plant, cucumbers firm with moisture, garden peas

varieties marked, "ideal for home gardens".

When making up your list of vegetables (kinds not varieties) to grow you might do well to remember, first, the family appetite, what they like and the amount of space the plants will require. You should also consider your ability to meet the requirements of each plant for healthy growth.

Some vegetables are better started under glass or in sheltered beds, to be transplanted when they reach a suitable size and the weather is favorable. Many of us have become discouraged with seeds started indoors. It is rather difficult to understand the needs of indoor seeds. They grow too fast and make soft, leggy plants. This termed "top growth". They do not grow enough roots to support them. There is a fungus disease called "dampening off". It will be more profitable in the end, if you buy your vegetables and flower plants from professional growers. These plants will be all hardened and ready to set out. The most tender are tomatoes, egg plants and peppers.

For best results, crop rotation should be practiced whenever possible. Be sure to shift them about from year to year. For example, do not have tomatoes in the same spot this year as you did last year. Rotating crops helps prevent the spread of various soil-carried diseases, such as club root of cabbage and related plants, scab on potatoes, beets etc.

Succession planting is a plan by which quick maturing crops are sown and after being harvested, are replaced by another crop. Spinach or early spring peas might be followed by bush beans, turnips or winter radishes. Well I think we have covered vegetable gardens enough to get started.

For those interested in flowers, it is time to divide Delphiniums now. Every three years these plants should be divided. Divide Chrysanthemums as soon as possible, each small division will make a blooming plant by autumn if planted in a

good location.

One of our most popular flowers is the pansy, which will soon be on the market. The blues and yellow are the first to bloom. The newer shades of bronze, dark reds and pastels come into bloom a little later. The Pansy is especially valuable as a ground cover, for bulbs, a border or in window boxes. It needs rich soil as the Pansy is a heavy feeder with fine roots. Give blooming Pansy plants plenty of water and fertilizer. Keep old blooms picked off as well as portions of the side branches. This will promote new growth. To avoid mildew, do not water the plants after four o'clock in the afternoon, but if it does occur, dust with sulphur.

If you have a bouquet of pussy-willows in water, they probably will produce roots, if so you may plant them later in the month in a piece of wet ground and they will develop into a bush.

HIGHER EGG PRICES LOOM AS GROWERS SLASH PLANS FOR FALL LAYING FLOCKS

Treton, N.J. — Consumers can look forward to paying sharply higher prices for eggs this fall and winter unless there is a reversal of current production plans by Northeastern poultrymen.

Harassed by low prices during the past three months, poultry growers have slashed fall egg flock plans by close to 30 per cent, according to Harold P. Kalhold, president of the Northeastern Poultry Producers Council (NEPPCO).

In a report last week to producer-members in 14 states, Kalhold warned that the number of baby chicks sold so far this spring is dangerously low. These are the chicks that six months from now will be producing the bulk of the eggs that reach city markets.

"We know from hard experience," Kalhold declared, "that unusually high egg prices frequently work to the detriment of the poultry farmer. First of all, they tend to discourage egg consumption; secondly, they often spur farmers to over-produce in the year following."

This "boom and bust" cycle is an occurrence that benefits neither farmer nor consumer.

Earlier this year, poultry industry officials suggested that growers trim their chick buying plans about 8 per cent in order to bring egg supplies and demand closer in balance. Official reports from the U.S. Department of Agriculture indicate that the cuts have gone far deeper than that.

In January and February, sales of egg type chicks averaged about 26 per cent under the same two months of last year. The number of eggs in incubators on March 1, was down a like amount from 1956.

"Although April and May are still months of heavy chick buying, there will have to be a sharp switch in present trends if we are to have adequate supplies of eggs this fall and winter," Kalhold reported.

The number of hens currently on farms is only slightly lower than it was last year at this time, a condition which accounts for the current egg surplus situation. But by fall, most of these hens will have been marketed for meat, or will be out of production.

In broilers and turkeys, said the NEPPCO official, production plans point to rather plentiful supplies through this fall at reasonable prices to consumers.

To rig for diving in a modern submarine, the crew must conduct 225 individual operational and equipment checks.

Petitioners by deed dated June 5, 1929, which is recorded in said Registry, Book 777, Page 313. The mortgage was given as part consideration for this deed.)

That the record title to said lots of land is clouded by a mortgage given by your petitioners, to Martin W. Wilkins, formerly of Marshfield, Plymouth County, Massachusetts, and whose present whereabouts is unknown and not ascertainable, dated June 5, 1929, and duly recorded Book 777, Page 313, in Middlesex North District Registry of Deeds, covering all of the nineteen (19) lots mentioned above, purporting to secure a note for \$160., payable by quarterly installments of \$25.00 each, without interest, which mortgage appears to be undischarged unassigned and unrecorded on and by the record and not properly or legally discharged of record; that the petitioners paid said \$160. to said mortgagee's attorney, but received no Discharge.

That for more than twenty years after the expiration of the time limited for the full performance of said condition no payment has been made and no other act done in recognition of said mortgage; and

That the mortgagors named in said mortgage and those claiming under them have been in uninterrupted possession of said land for more than twenty years after the expiration of time limited in said mortgage for the full performance of the condition thereof.

WHEREFORE, your petitioners pray that after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20, of the Acts of 1924.

Luigi Lofacono
Incoronata Lofacono
On this 4th day of February 1957, personally appeared before me the within named Luigi Lofacono known to me to be the signer of the foregoing petition, and made oath, that the statements therein contained so far as made of his own knowledge are true and as far as made upon information and belief that he believes them to be true.
Before me,
Everett R. Brigham
Notary Public
(Notarial Seal)
My commission expires Aug. 16, 1957
A true copy, Attest
Sybil H. Holmes,
Recorder.
THE COMMONWEALTH OF MASSACHUSETTS
Case No. 24434 Misc.
LAND COURT
Middlesex, ss.
(SEAL)
Upon the foregoing petition, it is ordered that the petitioner give notice to all persons interested in said petition to appear before the Land Court, at Lowell, within and for our said County of Middlesex (where appearances and answers may be filed with Frederick J. Finnegan, Register of Deeds for the North Registry District of said Middlesex County, as Assistant Recorder of said Court) on the first Monday of May next, by causing a true and attested copy of said petition and this order to be published forthwith once a week, for three successive weeks, in the Wilmington Crusader, a newspaper published in Wilmington, in said County of Middlesex, the last publication to be fourteen days at least before said first Monday of May next; by serving each known respondent by registered mail with a like attested copy of said petition and order as soon as may be and in any event fourteen days at least before said first Monday of May next; that all respondents may then and there show cause why the prayer of said petition should not be granted.
By the Court.
Attest:
Sybil H. Holmes
Recorder.
Dated March 20, 1957.

 NEW ADDRESS FOR
 ROGER HICKEY

 Dear Sir:
 I would appreciate having
 The Crusader sent to me at
 my present address. This
 should be my permanent ad-
 dress for the next few
 months to come so I'd sure
 like to get a little news from
 the home-town.

Yours Truly;

 A-2c Roger M. Hickey,
 14th Troop Carrier Sq.
 Box 191 Donaldson Air
 Force Base, Greenville,
 South Carolina.

 NEW ADDRESS FOR DON
 TARBELL

 Gentlemen:
 Please change the address
 of Donald C. Tarbell, RM1

 and Sermon. (Holy Com-
 munion, first Sunday, all
 services)

 Every Sunday at 6:00
 p.m. the Young People's
 Fellowship will meet and at
 8:00 p.m. Confirmation Cl-
 asses will be held for adults.

 Every Monday at 3:30
 p.m. Confirmation Classes
 for young people will be
 conducted.

Every third Monday at

 head, and Mr. and Mrs. Al-
 fred Motschman, of Pelham,
 N.H. The great grandparents
 are: Mr. and Mrs. Carl A.
 Cady of 8 Temple Street.

 An upside-down world
 would be confusing to all of
 us and perhaps that's the
 reason for a few of our ba-
 bies' squalls and tantrums.
 A new born baby sees things
 upside down, and sees sepa-
 rately with each eye, re-
 searchers for the Marine
 Company report. It takes six
 to eight weeks for a baby to
 see; before this time all vi-
 sion is blurred.

 Over the years, obedient
 children were taught to look
 up to their teachers. Actual-
 ly, it would be better, in a
 physical sense, if they were
 permitted to look down upon
 them. The children would
 benefit if they were seated
 in their classrooms so as to
 be above the teachers. Turn-
 ing the eyes upward causes
 more fatigue than looking
 down.

 Modern submarines can
 travel faster submerged than
 on the surface. They can
 fully submerge in less than
 one minute.

 Robert Fulton, inventor of
 the steamboat, was an avid
 submarine enthusiast. He
 built several submersible
 warships, one of which was
 known as the Nautilus.

"Who Says You Need Costly Shots To Relieve 'Hot Flashes' And Irritation From Change-Of-Life?"

 (Mrs. A. M., Watonga, Okla., adds, "Middle age
 was torture. Had costly shots 3 times a week
 but got no relief. Then took Pinkham's Tablets.
 They brought me new happiness, comfort!")

 Science offers women new freedom
 from much of the misery of
 change-of-life, thanks to an
 amazing new tablet developed espe-
 cially to relieve these functionally-
 caused discomforts. Doctors re-
 ported sensational results using
 this remarkable home treatment
 alone...and no costly injections!

Relief for 8 out of 10 Tested!

 Irritability, tortured nerves were
 calmed. Dizziness relieved. Awful
 hot flashes subsided. Here's why.
 Unlike aspirin and such "general
 purpose" remedies, this new tablet
 is a unique combination of special

 medicines...acts directly on the
 cause of these troubles...works
 through a woman's sympathetic
 nervous system to relieve tense
 feelings and physical distress that
 bring unhappiness to so many.
 Clinical tests prove this.

 Now this amazing formula is
 at drugstores without prescription.
 Ask for "Lydia Pinkham's Ta-
 blets". Don't let change-of-life rob
 you of joy! Get handy Pinkham's
 Tablets. Contain blood-building
 iron. See how fast you can feel
 your happy self again - without
 costly shots! (Also Liquid Lydia E.
 Pinkham's Vegetable Compound.)

Case No. 26844 Reg.
THE COMMONWEALTH OF
MASSACHUSETTS
LAND COURT

To the Town of Wilmington, a municipal corporation, located in the County of Middlesex and said Commonwealth; John White, Annie White, Sadie Griffiths, Charles H. Black, Susie B. Black, Forrest G. Downs, William F. Butt, John Allen, Leona M. Allen, Corey E. Cail, Peter L. White, William P. Finney, Dorothy Finney, George W. Hoyt, Harold E. Smith, Eleanor J. Smith, Eugene Stevens, Maude Stevens, William E. Traer, and Doris Traer, all of said Wilmington; Whitefield Ass'n, Inc., a duly existing corporation, having an usual place of business in said Wilmington; Adele Williams, of Reading, Edward L. ice M. Clark, Everett R. Clark, Rebecca Foreman, Angus McPhee, Mildred E. Jones, William R. H. Clough and George F. Newcomb, residences unknown, their heirs, devisees or legal representatives; any persons interested in National Plumbing & Heating Co., their heirs, devisees or legal representatives; and to all whom it may concern:

Whereas, a petition has been presented to said Court by J. Raymond Ashworth and G. Alberta Ashworth, both of said Wilmington, to register and confirm their title in the following described land:

Twenty certain parcels of land with the buildings thereon, situate in said Wilmington, bounded and described as follows:

Parcel 1: Southerly by Lowell Street 375.00 feet; West-erly by Alder Street 200.00 feet; Northerly by Cedar Street 375.00 feet; Easterly by Birch Street 200.00 feet.

Parcel 2: Easterly by Alder Street 410.00 feet; Southerly by Lowell Street 276.74; Northerly and Westerly by Maple Meadow Brook; Northwesterly by Promenade about 215.00 feet.

Parcel 3: Southerly by Cedar Street 375.00 feet; West-erly by Alder Street 200.00 feet; Northerly by Fir Street 375.00 feet; Easterly by Birch Street 200.00 feet.

Parcel 4: Northeasterly, Easterly and Southeasterly by Promenade about 434.00 feet; Westerly by Maple Meadow Brook.

Parcel 5: Southerly by Fir Street 250.00 feet; Westerly by land now or formerly of Ida Siegelman et al 200.00 feet; Northerly by Oak Street 250.00 feet; Easterly by Birch Street 200.00 feet.

Parcel 6: Southerly by Oak Street 375.00 feet; West-erly by Alder Street 200.00 feet; Northerly by Maple Street 375.00 feet; Easterly by Birch Street 200.00 feet.

Parcel 7: Northerly by a three foot reserved strip and Ash Street 216.53 feet; East-erly by Bay Street 200.00 feet; Southerly

by Pine Street 799.00 feet; Easterly by Alder Street 685.00 feet; South-erly by Promenade about 170.00 feet; North-erly and Westerly by Maple Meadow Brook; Northerly and Northwesterly by land now or formerly of John Allen et al about 590.00 and 103.00 feet respectively.

Parcel 8: Southerly by Maple Street 200.00 feet; Westerly, Southerly and Easterly by land now or formerly of William F. Butt 100.00, 75.00 and 100.00 feet respectively; Southerly by Maple Street 100.00 feet; Westerly by Alder Street 200.00 feet; Northerly by Pine Street 375.00 feet; East-erly by Birch Street 100.00 feet; Southerly, Easterly and Northerly by land now or formerly of Sadie Griffiths 100.00, 50.00 and 100.00 feet respectively; Easterly by Birch Street 50.00 feet.

Parcel 9: Southerly by Maple Street 325.00 feet; Westerly by Birch Street 200.00 feet; Northerly by Pine Street 100.00 feet; East-erly, Northerly and Westerly by land now or formerly of Sadie Griffiths 100.00, 125.00 and 100.00 feet respectively; Northerly by Pine Street 100.00 feet; Easterly by Bay Street 200.00 feet.

Parcel 10: Southerly by Oak Street 50.00 feet; West-erly and Southerly by land now or formerly of Michael L. Dorgan 100.00 and 75.00 feet respectively; Westerly and Southerly by land now or formerly of Caroline J. Will 25.00 and 100.00 feet respectively; Westerly by Birch Street 75.00 feet; Northerly by Maple Street 225.00 feet; Easterly by land now or formerly of Sadie Griffiths and Perry M. Rogers et al 200.00 feet.

Parcel 11: Southerly by Fir Street 50.00 feet; Westerly, Southerly and Easterly by land now or formerly of Grace M. Ormsby 100.00, 75.00 and 100.00 feet respectively; Southerly by Fir Street 100.00 feet; Westerly by Birch Street 200.00 feet; Northerly by Oak Street

325.00 feet; Easterly by Bay Street 50.00 feet; Southerly by land now or formerly of Perry M. Rogers et al 100.00 feet; Easterly by said Rogers et al land and land now or formerly of Lena Aster 150.00 feet.

Parcel 12: Southerly by Cedar Street 100.00 feet; West-erly by Birch Street 200.00 feet; Northerly by Fir Street 325.00 feet; Easterly by Bay Street 100.00 feet; Southerly by land now or formerly of Arthur Linderbaum, Louis Aster and Lena Aster 225.00 feet; Easterly by said Lena Aster land 100.00 feet.

Parcel 13: Westerly by Bay Street 110.00 feet; Northerly by Fir Street 170.05 feet; Easterly by land now or formerly of George W. Hoyt 14.73 feet; Southerly and Easterly by land now or formerly of Walpole Woodworking Co. 75.93 and 82.26 feet respectively; Southerly by land now or formerly of Samuel Kepnes 86.14 feet.

Parcel 14: Southerly by Fir Street 77.74 feet; West-erly by land now or formerly of William P. Finney et al and Susan T. Keller 200.00 feet; Northerly by Oak Street 115.67 feet; Easterly by land now or formerly of Harold Smith et al and George W. Hoyt 203.80 feet.

Parcel 15: Southerly by Oak Street 182.66 feet; West-erly by Bay Street 69.00 feet; Northerly and Westerly by land now or formerly of Helen M. Munson 100.00 and 56.00 feet respectively; Northerly by land now or formerly of the Town of Wilmington 100.00 feet; South-erly by Beech Street 127.52 feet.

Parcel 16: Westerly by Bay Street 262.00 feet; Northerly by Pine Street 200.00 feet; Easterly by Beech Street 290.00 feet; Southerly by land now or formerly of the Town of Wilmington 100.00 feet; Westerly and Southerly by land now or formerly of Helen M. Munson 28.00 and 100.00 feet respectively.

Parcel 17: Southerly by Pine Street 200.00 feet; West-

erly by Bay Street 200.00 feet; Northerly by Ash Street 168.40 feet; North-erly by the junction of Ash Street and Beech Street 51.05 feet; Easterly by Beech Street 159.91 feet.

Parcel 18: Southerly by Ash Street 437.14 feet; Northwesterly and Northerly by land now or formerly of John Allen et al 81.39 and 336.79 feet respectively; Easterly by land now or formerly of William E. Traer et al 128.33 feet.

Parcel 19: Westerly by Beech Street 139.30 feet; Northerly by Elm Street 57.07 feet; Easterly by land now or formerly of Eugene Stevens et al 177.99 feet; Southerly by land now or formerly of Edward L. Walsh 124.63 feet.

Parcel 20: Westerly by Beech Street 173.70 feet; Northerly by land now or formerly of Edward L. Walsh 50.46 feet; Southeasterly by land now or formerly of Tennessee Gas Trans-mission Co. and Harold Smith et al 148.45 feet; Southerly by a three foot reserved strip 3.00 feet.

The above described land is shown on a plan filed with said petition and all bound-ary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lowell in the County of Middlesex where a copy of the plan filed with said petition is deposited, on or before the sixth day of May next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contest-

ing said petition or any de-creed entered thereon.

Witness, JOHN E. FEN-TON, Esquire, Judge of said Court, this third day of April in the year nineteen hundred and fifty-seven.

Attest with Seal of said Court.

(SEAL)

Sybil H. Holmes

Recorder.

(Atty. E. P. McDuffee
295 Main Street
Wakefield, Mass.)

LETTER TO THE EDITOR

April 6, 1957

The Wilmington Crusader

Dear Editor:

May I have the opportu-nity, through your "NEWS-PAPER" to express the ap-preciation of the Girl Scouts of Wilmington to the J. W. Greer Company for inviting them to the plant to sell cookies to the employees dur-ing the annual GIRL SCOUT SALE.

The courtesy and kindness extended to the leaders and girls scouts by management was very gratifying.

Gratefully yours,
Mrs. John J. Crowley,
District Chairman
Longview Road
North Wilmington, Mass.

K OF C NOTES

The regular meeting of Fa-ther Coppens Council No. 4336 of the Knights of Col-umbus will be held at St. William's Hall, Sunday, Ap-ril 14, at 8:00 p.m.

Invited guest of the even-ing will be Monsignor Grif-fin, State Chaplin of the K of C. It is most fortunate that the council will be honored by a visit from Monsignor Griffin who has an excep-tionally crowded schedule.

It is hoped that every member of the council will be present to greet our dis-tinguished guest, and help decide some important bus-iness matters that are on the agenda.

CANCER!

AMERICAN CANCER SOCIETY
Massachusetts Division

CANCER CRUSADE FILM, APRIL 16, HIGH SCHOOL AUDITORIUM

Many lives have been saved by motion pictures prepared by the American Cancer Society, according to George Cushing, Community Chairman of the 1957 Cancer Crusade in Wilmington.

The Cancer Society's annual education and fund-raising drive was launched April 1. Cancer-control films will be available April 16, at 8:00 p.m. for free showings at the High School Auditorium to all women only.

We hope all women will make an effort to see this lifesaving motion picture. It is believed that many women are alive today because they saw this film: "Breast Self Examination." Many more can be saved. Every woman should make it a point to see this motion picture and follow through with what it teaches.

In a community the size of Wilmington, it is estimated that 44 people will be under medical care for cancer in 1957. Only 9 of these people will be saved. We are not trying to frighten people. The best way to teach them is to interest them and it is hoped that this motion picture will interest ALL the women in Wilmington.

Volunteers:

On the evening of April 30, beginning at 6:45 p.m., volunteers of the Massachusetts Division of the American Cancer Society will launch a house to house Crusade to raise funds for the fight against cancer in Wilmington.

Volunteers are urgently needed to canvass their neighborhoods. It is the desire of the Community Chairman, George Cushing that no more than ten or twelve homes be contacted by any one volunteer. CALL TODAY - Mrs. Frank Hagerty or Mrs. Pearl Hersom and register as a Cancer Crusade Volunteer in your neighborhood.

WHO'S FACE WAS RED!

Engines No. 1 and 2 responded to a fire alarm at the high school Monday night at 8:30; but upon arrival found that the alarm was tripped accidentally. Bernard McMahon, Principal of the high school, was entertaining principals from other schools and while walking along a dark corridor, asked one of the principals to flip the light switch. Instead, he turned on the alarm.

The only thing that was burning when the firemen got there, was Bernie McMahon's face.

BEACON — HILL

COMMENTARY
By Charles E. Wilkinson
Representative

The House has been working along at a steady pace so far this year and at the present moment have heard something better than 65 per cent of the more than

3100 Bills filed for this session. Much of this progress has been accomplished by the absence of much debate (?) on a pet subject of some Member who would take hours explaining why we should investigate some transportation company (that was beaten every time it was brought up) or by someone who intended running for some political office using the House for a sounding board trying to prove some irregularity in the office of the then present office holder which was never proven. The absence of these tiresome time consuming talkathons has been a blessing this year and has helped greatly to keep the late night sessions down to two nights. Many of those talkative members are not members this year.

Checking on the present status of the Route 28 relocation we find that despite the reports that several contracts have been let, the truth is that one section has been let and that is in the Andover section just north of the Wilmington line. The Woburn, Reading, Wilmington section is now scheduled to be advertised May 16, which would mean that work might be started most any

time after August 15.

That section starting from near Reading line going north into Wilmington is getting into shape and it is expected now to advertise in the Fall. This section would include Concord St., Wilmington at which point the new road will bridge Concord St., with two ramps leading to the lower level both on the south side of Concord Street.

The State will improve Concord St., to the North Reading line and from the bridge to Woburn St., in the opposite direction. This will give North Reading much shorter access to Route 28 over Park St., West, than the original plan of making them use Route 62. Grove St. Reading will be closed off at Route 28. This column would like to throw a bouquet in the direction of speaker Skerry for the business-like way in which he has conducted the House this year. He has made it a practice for the entire year to visit the various Public Hearings, checking the progress of the Committee with the result several Committees have completed their Public Hearings with about five more expected this week.

Two Bills which had created some interest by the inquiries to this column were the Bill to abolish the personal property tax. This Bill which amounted to some \$73,000 to Reading in 1956, was killed the latter part of January. Most of this money comes from business concerns like the Edison Company, \$900.00; New England Tel and Tel, close to \$20,000; Mystic Valley Gas Company, \$30,000.

An attempt is made each year to abolish this tax, but from the Towns that have adopted this tax comes strong opposition. The other Bill is the one to give a 2 per cent discount for the prompt payment of income taxes. This Bill was given the heave-ho this past week.

FORD

outsells

'em all

for '57

Latest reports show that in the New England States, Ford is running away with the sales records and HERE'S WHY:

The new "Inner Ford" is really built! Beneath Ford's beauty you'll find the kind of brawn that proved itself at Bonneville, Utah, where Ford set 458 national and world performance and endurance records. No wonder folks are sold on Ford.

You can pick your brand of GO

This year there's even more of Ford's great GO. You can pick your power to suit your driving needs from a whole family of mightier V-8's.

You can have the most modern Six of all ... the Ford Mileage Maker. Six or V-8, the going's great in Ford!

Ford is the lowest priced* of all

Another reason Ford is 1957's sellingest car is its low price. And Ford is traditionally worth more when you sell it, too. Ask your Ford Dealer how easy it is to own a new kind of Ford.

*Based on comparison of manufacturers' suggested retail delivered prices

V. F. W. DUGOUT DOINGS

by Hank Filippone

Next regular meeting will be Thursday, April 11, at 8:30 p.m. sharp.

No word from our planning board in regards to our application for a carnival at

town park. This application was brought to their attention on April 2, at their regular weekly meeting. There is no reason for this disgraceful delay, and it is uncertain if we will be able to book a company to set up for us at this late date. I'd dislike to think that the feeling of certain individuals towards the veterans of this town is having anything to do, with it.

The next social will be held at the post quarters April 20. At present, no one has been appointed, but this column will let you know as soon as possible.

Smokey Woods is back home from the hospital, but

is confined to indoors. Members are urged to visit with Smokey, he'd like to see you.

The rains sure played havoc with our quarters last week, and the squeegies had a real workout. It's times like this that make our new building drive seem worthwhile. Incidentally, Phil LeDuc has an interesting approach to the building goal and intends to speak upon it at the next meeting.

Hal Foley donated some candy to the children at the movie matinee, last Saturday, and is the most popular guy with the younger folks this week. Our grateful thanks to you Hal, the kids enjoyed it.

The Memorial Day Committee has obtained a band, and a girls drill team to participate in the parade, this year. Along with the High School Band, these new additions to the parade will be most welcome. There will be a meeting of the Memorial Day committee at the D.A.V. hall, on Friday, April 12, at 9:00 p.m. This writer wishes to see Alan Fenton, Angelo Ingaharro and Jack, along with President Helen Witham and her Auxiliary chair officers.

Poppy Day Drive is here, and it is my wish that all members get on the committee and Help Commander-Elect Fred Lloyd to make

this years sale of poppies an outstanding one. As you all know, the proceeds of this sale of poppies goes into our relief fund, and the greater the amount of the drive, the more the post can do to help a comrade in distress.

Bob Cain and Marlon are expecting to move to Arlington in the near future. It is hoped that they will still continue to be active in our affairs. Billy Boy Simmons will be watching our tax rate soon.

Arrangements are being made with Foster Balser and the Greater Lowell Council, Boy Scouts of America, to have a meeting at the post quarters, on Friday, April

12, at 8:00 p.m. All hands wishing to enjoy in this program are expected to attend. Brownie wants at least four men besides himself, to be on the committee. You can count on me, Brownie.

Hal Lennerton, our new Quartermaster-elect, is expected to attend the next meeting in order to familiarize himself with the books.

It's quite a sight to see men taking care of children. Last Saturday, I watched Brownie keep the children under control by promising a prize at the end of the movie for the best mannered child. A funny aftermath was that all the children were well behaved and so all entitled to a prize, which in this case was a candy bar. Paul Ellis, who is currently stationed at Fort Devens, must love children. He was observed holding a child in his arms when she complained of a headache and he took of her till it had gone. These little incidents make me burst with pride, as these men are V.F.W. members of our post 2458.

As this will be my last meeting over which I will preside, it is my earnest wish to turn over to the Commander-elect as many paid up members as possible. If your dues are not current, will you please contact Fred Kleynen, or myself and get caught up?

Will see you at the meeting.

LETTERS EDITOR

May I, through you, write an open letter to George Savary?

Dear George Savary:

I read your letter in the Town Crier, last week, and was very hurt to hear one veterans letter against the veterans organizations in town.

George, I have lived in Wilmington for the past 45 years and have seen lots of people come and go. I have seen lots of changes and watched the youngsters grow into men.

The veterans have contributed a lot of wonderful things to our town of Wilmington. You would have had to live here all this time to know these things and see what they have done. I speak from the heart when I say I know how fine the Wilmington's veterans are and I wouldn't exchange them for anything in this universe.

George, (I don't know you, but I'll call you George,) I read in your article that the Veterans clubs are nothing but barrooms. Well, that hurt me. George, I am not a vet, but am a proud honorary member of each veterans organization in town, and have a great respect for them. I want you to know that the Wilmington Veterans are the most unselfish people in the U.S.A. and are, time and again, called upon to help people in distress, or to assist in community service I know all their families, their problems and their proud services to the town. Their hands are not outstretched for anything other than what some wise citizens of this great country decided they deserved.

You probably got angry at some individual, or may have heard something against them. Don't feel that way George. Please visit these clubs and see for yourself. There are too many good citizens in these clubs that they should be criticized.

For a last thought, George, think good things about people, don't try to down them. Get around town and meet them, you will like them.

NEWS FROM TEWKSBURY SELECTMEN'S OFFICE

The meeting of the Board of Selectmen took place at Town Hall on April 9, at 8 p.m., with Selectmen John D. Sullivan, Joseph J. Walsh, John H. Hart, and George A. O'Connell present, Mr. Victor Cluff being absent.

A group of gentlemen from Sullivan Parkway appeared to ask the Board's help in having their particular 17 lots re-surveyed by one Mr. Towers, who originally set up the plan. The spokesman for the group was Nelson McArthur, one of the owners of said property. Advice of Mr. Dana Perkins was also asked Town Counsel, Warren Allgrove who summed up the situation as a matter for the Road Commissioners to look into and referred the group to this Board. Mr. John MacLaren requested a variance in the Town By-Laws from the Board to enable him to strip loam and sell gravel from his property to be taken out of Town. He was referred to the Planning Board.

Selectman John H. Hart made the motion that April 23rd be set for the deadline for submitting articles for the Special Town Meeting to be held May 8, 1957. Meeting adjourned at 11:25 p.m.

HUNGARIAN ESCAPEES IN WILMINGTON

The first of the recent Hungarian escapees to settle in Wilmington are guests at the home of Mr. and Mrs. William Bradley of Andover St. Mr. and Mrs. John Tehl, and their two children, ages 9 and 1, originally lived near
